This is a once in a lifetime opportunity for some lucky Halton schoolchildren to win a trip to the new bridge and be at the centre of a special event to celebrate the joining of the new bridge deck later this term.

Don't miss out – it is easy for your school to enter. All you do is:

1. **Have a competition in your school** where you ask your Key Stage 2 pupils to:
  - a. create an artwork showing the new bridge – some of them may have done one already!
  - b. in no more than 100 words say what the Mersey Gateway Bridge means to them.
2. **Choose your school's winning entry and send it to the Mersey Gateway team** for the final judging before the closing date of 7 July.

The competition is open to all Key Stage 2 children in Halton – good luck everyone!

### **The prize: A special trip for four children and their teachers to the centre of the new bridge this summer!**

We'll be selecting the four best entries from local school children – two from Widnes and two from Runcorn – and inviting these four winners and their four teachers to be part of a special ceremony to mark the final joining of the bridge deck.

We'd also like to display the winning artworks at our Mersey Gateway Visitor Centres.

### **How to enter:**

It's easy – just choose your school's winning entry and send it to merseylink by emailing [info@merseylink.com](mailto:info@merseylink.com) before the closing date of 7 July.
